

# REEL LITE BOOSTER HOSE

POLYESTER SINGLE JACKET,  
POLYURETHANE LINED HOSE

The Reel Lite booster hose is a robust, single-jacket option specifically designed for demanding environments. Its lightweight and flexible construction, enhanced with Helix reinforcements, minimizes drag resistance, making it easy to maneuver. Ideal for wildland use, this hose excels in grass, brush, industrial, and dumpster fire situations, ensuring effective performance when it matters most.

**TEMPERATURE RANGE:** -40F to 150F (-40C to 65C)

**COUPLINGS:** NH/NPSH Aluminum, Field repairable
